

COMPANY OVERVIEW

Valorpoint Management & Consulting is a Service-Disabled Veteran-Owned Small Business specializing in end-to-end project and program management, governance, and agile delivery. We partner with federal agencies and government contractors to provide disciplined, results-driven oversight that ensures mission objectives are met on time, within scope, and on budget. Founded and led by a service-disabled veteran with more than 25 years of experience, Valorpoint applies PMP, SAFe, and PMI-aligned methodologies in complex, high-stakes acquisition environments.

CORE COMPETENCIES

Project Management

- ◆ Full project lifecycle management
- ◆ Scope, schedule & cost control
- ◆ Earned Value Management (EVM)
- ◆ Risk, issue & dependency management
